New Features and Updates
September 24, 2021

iRead

iPad Version 1.5.22-1

Updates

- Resolved an issue that kept students using *iRead* on HMH Ed from logging in to the *iRead* iPad app with HMH Ed credentials.

MATH 180

Version 1.0.0-20210923130156.e63e814

Updates

- Resolved an issue that disabled all onscreen buttons and prevented voiceovers from playing when using *MATH 180* on Safari version 15.
- Resolved an issue that kept the Anchor Video for “Getting Started Teacher Display Tools – Day 1” in the Interactive Whiteboard Tools from playing.
