## Spanish Support Grades K–8

**ScienceFusion's innovative and award-winning** print and digital curriculum is available in Spanish for Grades K–8. The comprehensive set of Spanish resources will **engage** and **motivate** your English language learners while encouraging inquiry and scientific thinking.

## Print Write-In Student Edition

All K–5 grade levels and eleven Grades 6–8 modules have a Spanish Write-In Student Edition, enabling all learners to access the content and skills required for mastering your science standards.

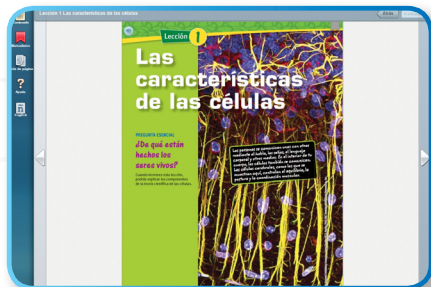

## eLearning Curriculum

The Spanish eLearning Curriculum gives you access to all **ScienceFusion** resources, including the Interactive Online Student Edition. You can assign Spanish digital lessons, virtual labs, assessments or homework.

## Online Videos

Video-Based Projects, available for grades 3–8, found at point of use in the eLearning Curriculum, are closed captioned in Spanish. Print support in both English and Spanish gives you even more ways to capture the attention of every science learner.

## Online Resources

To ensure that you can address the needs of diverse students, a wide variety of point-of-use resources in the eLearning Curriculum are available in Spanish, including:

- Electronic Spanish Student Edition (eSE)
- eSE Spanish Audio
- Assessment Guide
- Student Vocabulary Cards
- ExamView® Test Banks
- Lab Manual (Grades 6–8)

## Leveled Readers (K–5)

Science & Engineering Leveled Readers in Spanish bring engaging science and engineering content to all students, whether they need extra support, enrichment, or on-level reading. The Leveled Readers are included online, and print Leveled Readers are available with the Premium package or can be purchased separately. The Teacher Guide is in both Spanish and English.
