

# Get Tailored, Hands-on PD for Educators

Personalized for teachers of all experience levels

Educators face diverse challenges every day, and they deserve support from a partner they can count on. HMH Professional Learning is here for you. We provide tailored, hands-on PD for teachers and administrators of all experience levels, throughout the year.

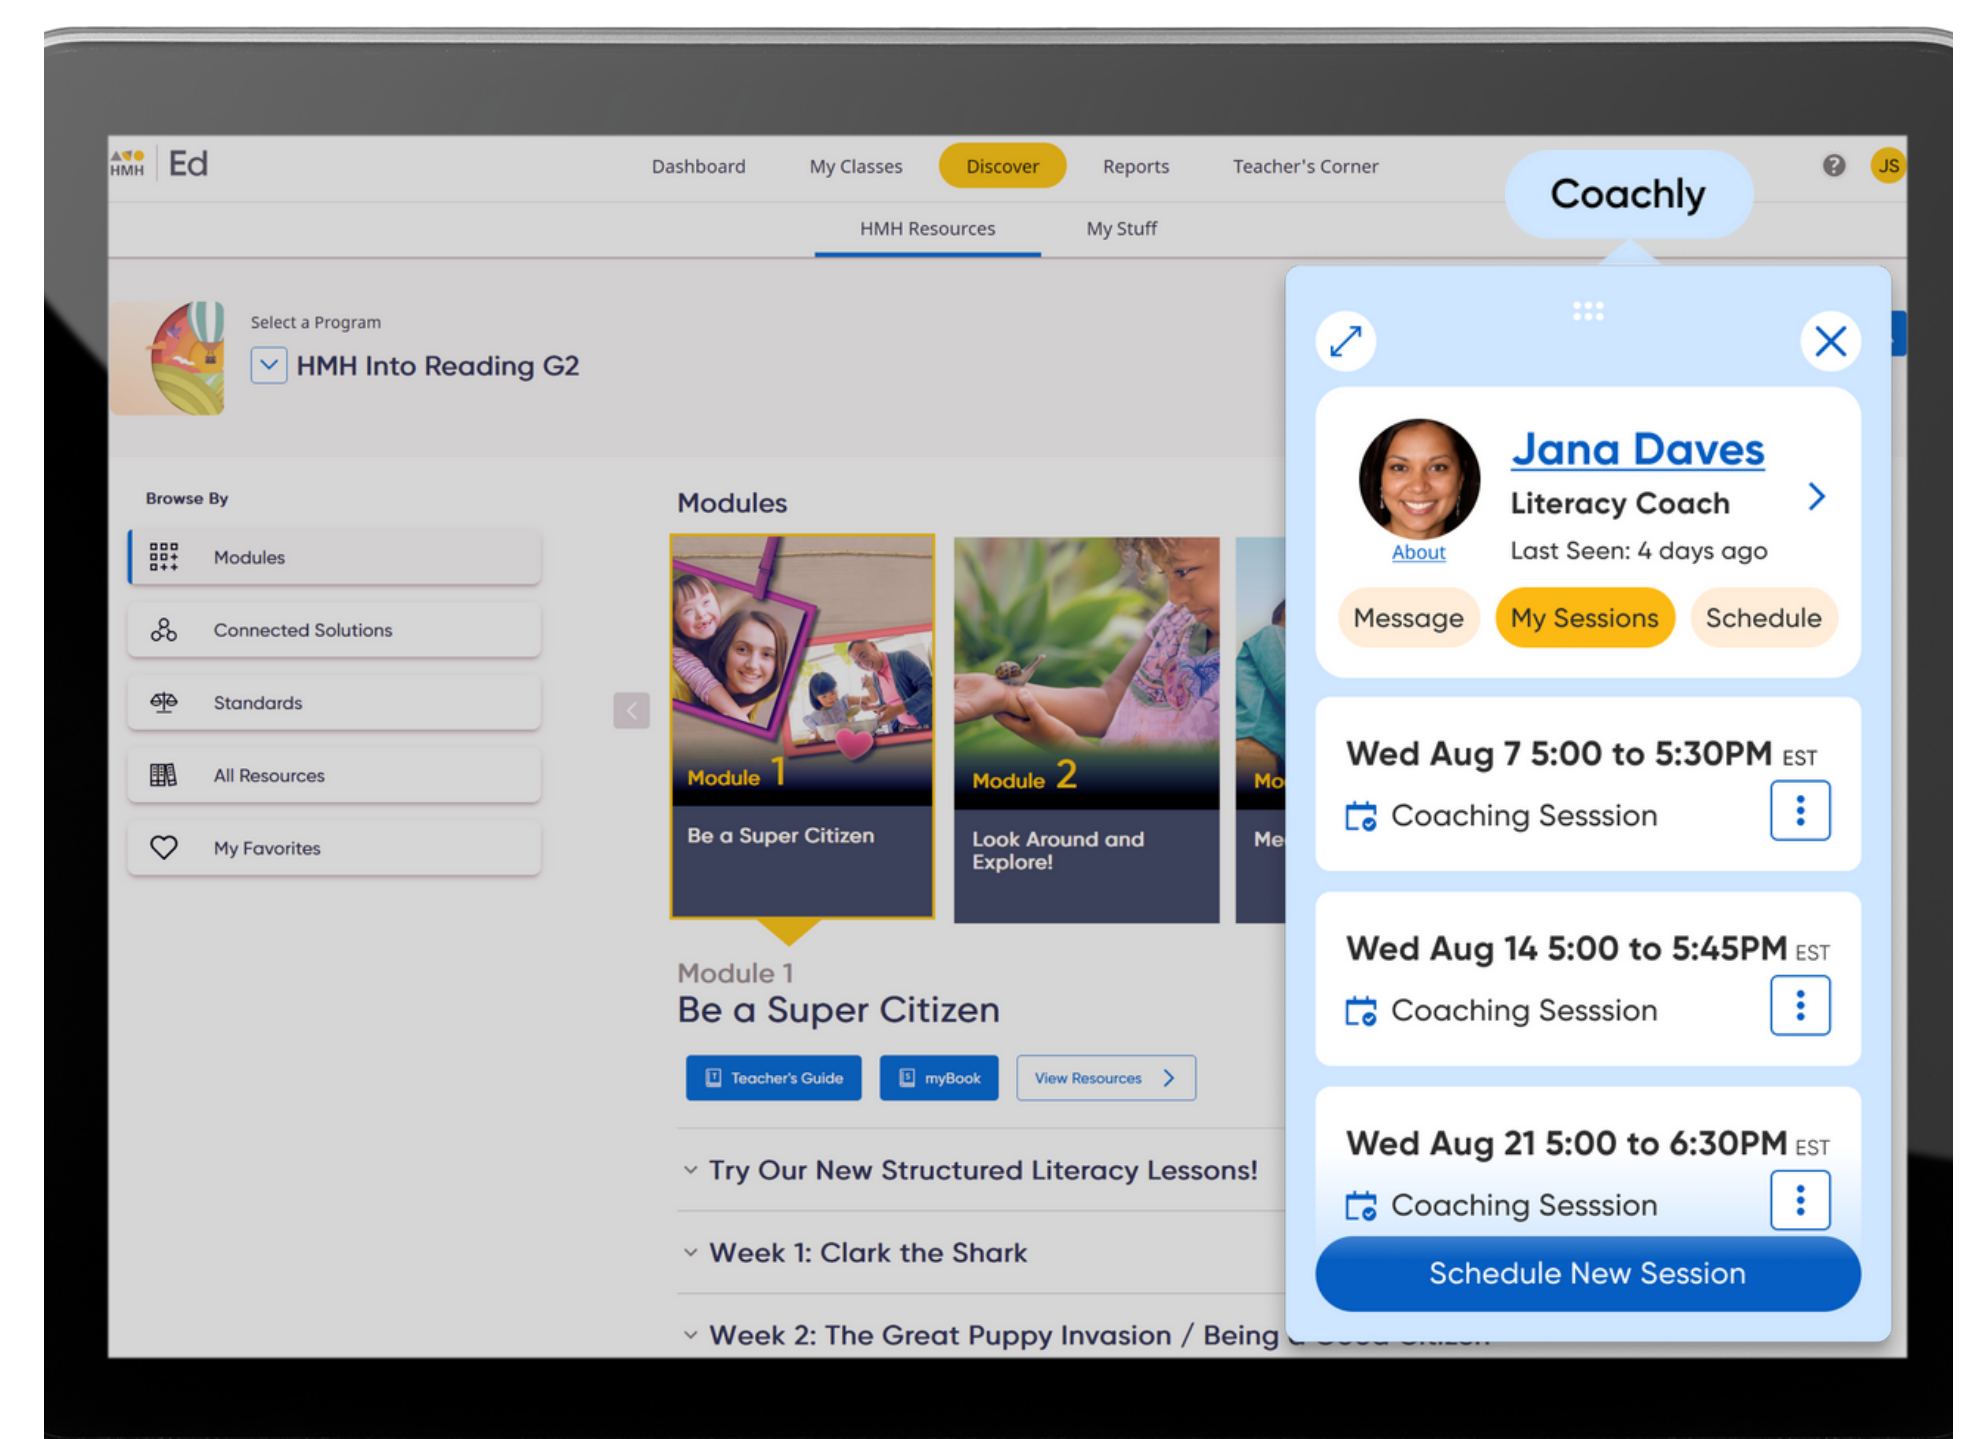

## Own your professional development

*HMH Coachly™* gives teachers ownership over their learning with unlimited, 1:1 sessions with their intentionally-matched instructional coach.

From program implementation to personalized teaching strategies, HMH coaches are invested in teacher success every step of the way.

*Coachly* includes:

- Thoughtfully-matched instructional coaches: *Coachly* pairs teachers with coaches who understand their subject area and bring an average of 7 years of classroom experience to every session.
- Teacher-owned professional Growth: *Coachly* puts teachers in control of their own goal-setting, learning, and schedule with unlimited virtual coaching sessions and messaging.
- Evidence-based framework: *Coachly's* approach to instructional coaching is grounded in proven high-impact teaching strategies. This method builds a shared language and a unified teaching culture through setting, measuring, and achieving professional goals.

*Coachly* gives teachers unlimited support via virtual sessions and messaging with their HMH instructional coaches. And it's all on HMH Ed - the same place as their HMH curricula.

Did you know that HMH Professional learning has been nationally recognized for its ability to support implementation and provide ongoing teacher and leader professional development?

## Customize based on your needs

Teachers' needs aren't one-size-fits-all, so their coaching shouldn't be either. *Coachly* and *Coachly+* can be customized with additional licenses and in-person days to meet your school's needs.

## Create a shared learning experience

Bring the *Coachly* experience to the whole team with in-person instructional coaching days.

Add in-person coaching days to receive:

- A dedicated HMH instructional coach who works with educators both 1:1 and as a team.
- Collaboration to establish a common goal and build a shared-language.
- Concrete learning to address school-wide challenges.

## Connect Evidence-Based Practices with Daily Classroom Instruction

### **Live Online Courses**

Engage with relevant, ongoing professional development that's curated based on your grade-level, subjects, and classroom needs.

Course topics include:

- Social and Emotional Learning
- High-Impact Strategies
- Supporting the Unique Needs of Learners
- Assessing and Monitoring Student Growth

### **Blended Courses**

Connect research-backed pedagogy with your HMH program to support student growth – via live online and in-person learning.

Learning topics include:

- Science of Reading
- Reading Intervention
- Number Sense and Numeracy
- Standards-Aligned Instruction

## Get Shoulder-to-Shoulder Partnership with Leadership Experts

Education leaders need proven, trusted partners. Introducing the *Center for Model Schools* – the only organization devoted to providing year-round leadership support through its namesake *Model Schools Conference*, leadership cohorts, and 1:1 consulting.

### Introducing

# Center for Model Schools™

Formerly known as the International Center for Leadership in Education (ICLE), the Center for Model Schools partners with leaders to make their transformational vision become reality.

### **Transformational Leadership Network**

Connect with leaders who share similar challenges through the Transformational Leadership Network.

Each year-round cohort gives network members opportunities to learn from and with each other through inter-district sessions facilitated by specialists in improvement science.

### **School Improvement via UChicago Impact® and NWEA**

The *Center for Model Schools'* leadership consulting now supports school improvement initiatives via an exclusive partnership between UChicago Impact® and NWEA, a division of HMH.

### **Model Schools Conference**

Join the nation's largest annual gathering for rapidly-improving K-12 schools and districts. Featuring schools that have achieved positive transformation, Model Schools Conference gives attendees practical strategies to implement meaningful change when they return home.
