★ **You Are Here**

The screenshot shows the Ed platform interface. At the top, there's a navigation bar with 'Dashboard', 'My Classes', 'Discover' (highlighted), 'Reports', and 'Teacher's Corner'. Below this, there's a 'Select a Program' dropdown set to 'Read 180 Stage A: Upper Elementary'. The main content area is divided into 'Browse By' (Units, Connected Solutions, Standards, All Resources) and 'Featured Categories and Components' (Getting Started, Assessment, Anchor Videos, Real Book: Code One, Real Book: Code Two, Real Book: Code Three). The 'Assessment' category is selected, showing a list of filtered resources (336). The list includes 'Mindset Scan', '20,000 Leagues Under the Sea - Standard Quiz 1', and '20,000 Leagues Under the Sea - Standard Quiz 2'. A 'Create Assignment' modal is open, showing fields for 'Assignment Name', 'Directions', 'Start Date', 'End Date', 'Start Time', and 'End Time'. The 'Assignees' section shows a list of students, with 'Tommy' selected. A 'GO BACK TO MENU' button is at the bottom right.

Assign the resource. Assignments appear in the Student Dashboard.

Add to My Lessons to add the resource to a lesson plan you have created.

Growth Measure

Pro Tip

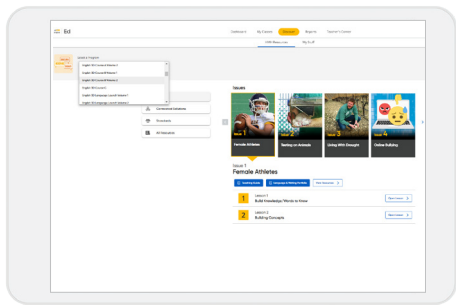

View Student Software
Click "view" to open and review what your students see within the Student Application.

HMH Growth Measure connects teachers and students to differentiated content that drives student growth.

Waggle provides video-game style personalized skills-based practice and instruction with embedded support and ongoing dynamic assessment.

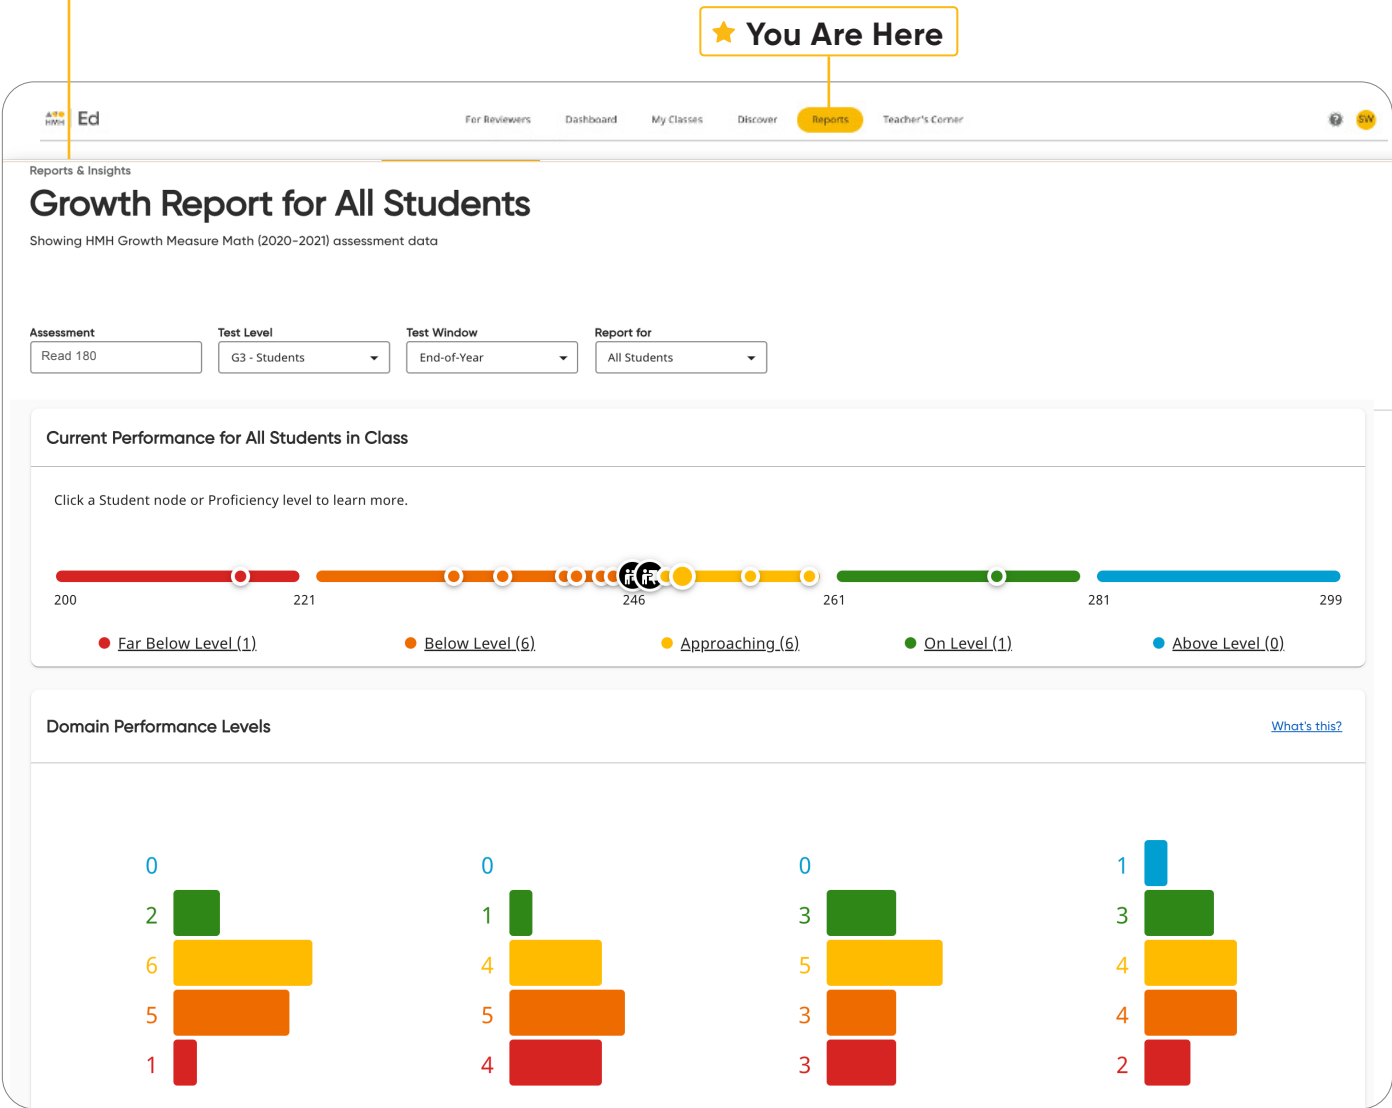

English 3D supports rapid growth for multilingual learners Grades 4–12 in speaking, listening, reading and writing skills as a comprehensive ELD program.

Use Data to Inform Instruction

The **Reports** tab provides student performance data and access to critical information for teachers.

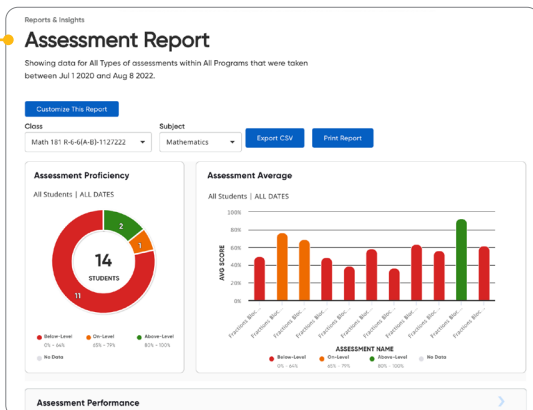

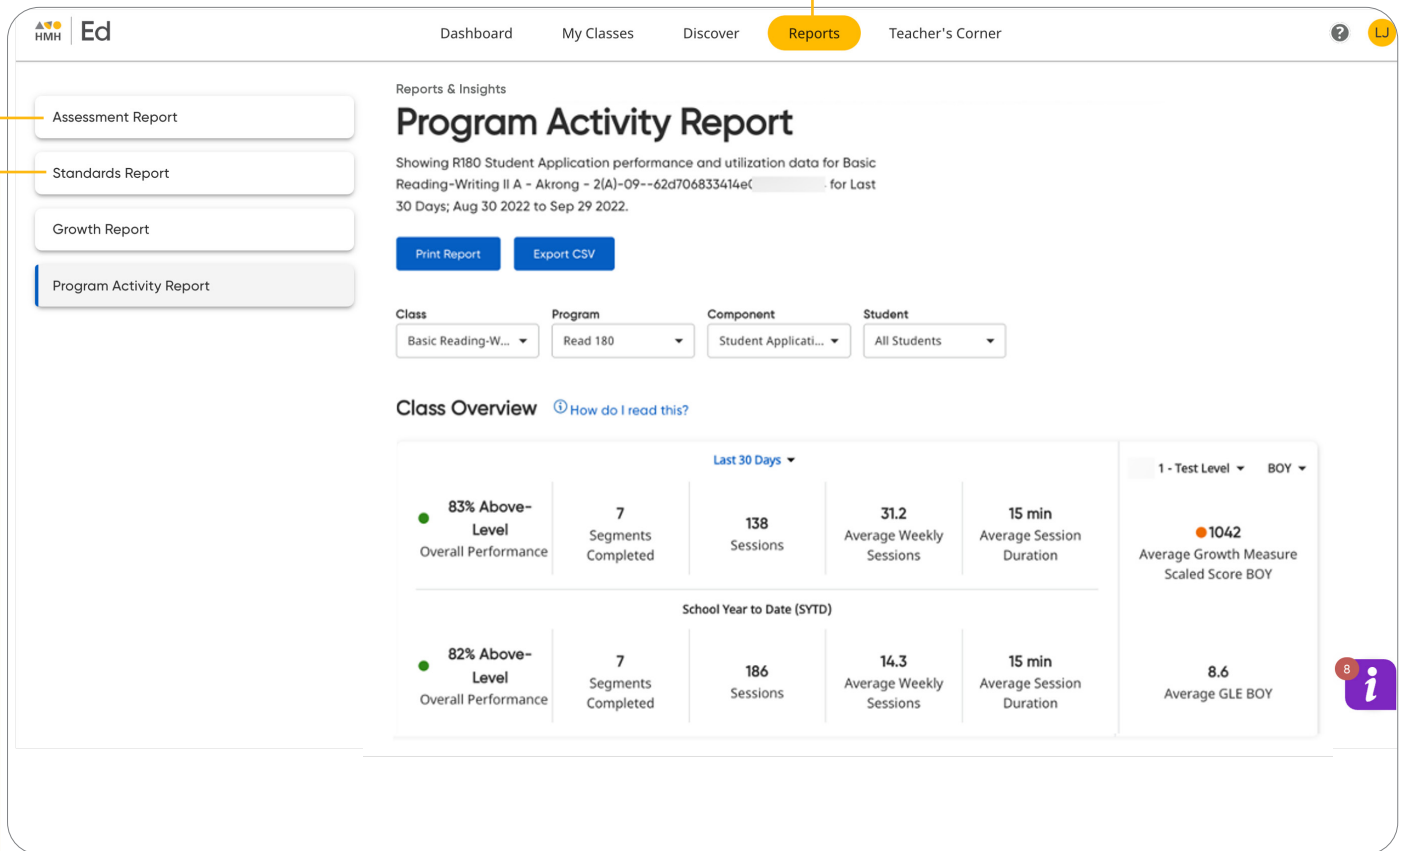

Growth Report shows your class *Growth Measure* results. Once students complete the *Growth Measure*, you can view students' scaled scores and performance levels for the testing window, class averages, and individual results.

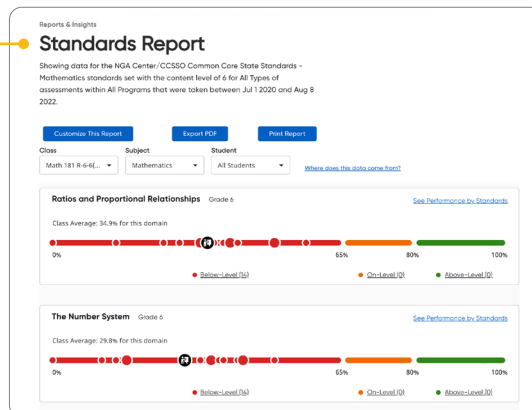

REPORTS

Program Activity Report shows students' performance on the Student Application as they progress through *Read 180*. Teachers can use the Program Activity Report to identify students who are performing below the expected level within the *Read 180* curriculum.
