

# Digital Access Addresses Remote Learning and Flexibility of Implementation

Close the Gap for Intensive Intervention with a Proven Solution

**Implement *READ 180* and *System 44* Digital Access For:**

- Remote and Distance Learning
- Summertime Recovery
- Extended Learning Beyond the Traditional Classroom

# Intensive Reading Intervention for Striving Students in Grades 3-12+

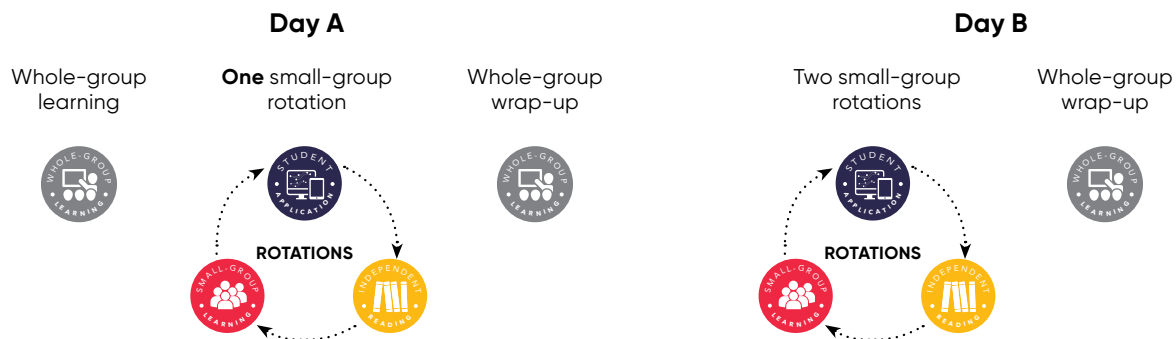

As the most thoroughly researched intervention solutions on the market, *READ 180*® and *System 44*® are proven to accelerate striving readers by merging the latest research in brain science, growth mindset, ongoing assessment, adaptive technology, and professional development.

With Digital Access, schools can address a modified, condensed instructional block, address remote learning, and provide a solution that will close the skills gap for students more than 1 year behind.

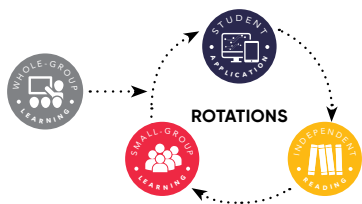

## Flexible Implementation Models

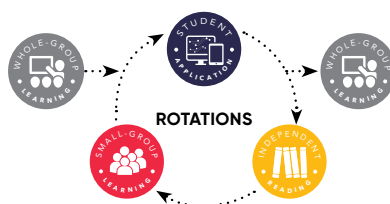

### Single Period 30–59 Minutes

### Extended Single Period 60–70 Minutes

### Double Period 80+ Minutes

### Digital Access 20+ Minutes

# Digital Access Week at a Glance

	Day 1	Day 2	Day 3	Day 4	Day 5
<b>Student Focus</b>	Software/ Independent Reading	Software/ Independent Reading	Software/ Independent Reading	Software/ Independent Reading	Software/ Independent Reading
<b>Teacher Focus</b>	Student Conferencing	Student Conferencing	Student Conferencing	Student Conferencing	Student Conferencing

\*Suggested 20 minutes a day/session, 3–5 days a week on the student software

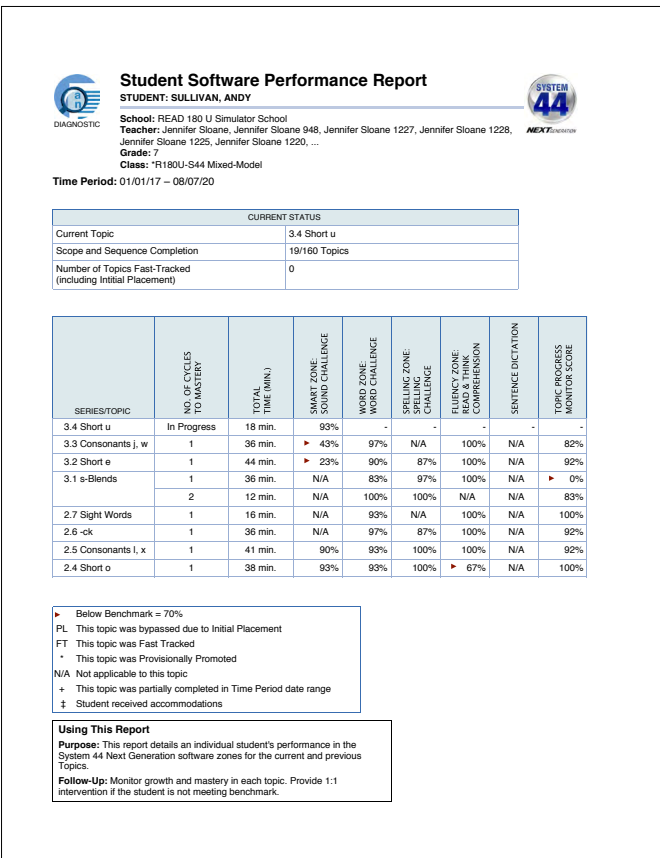

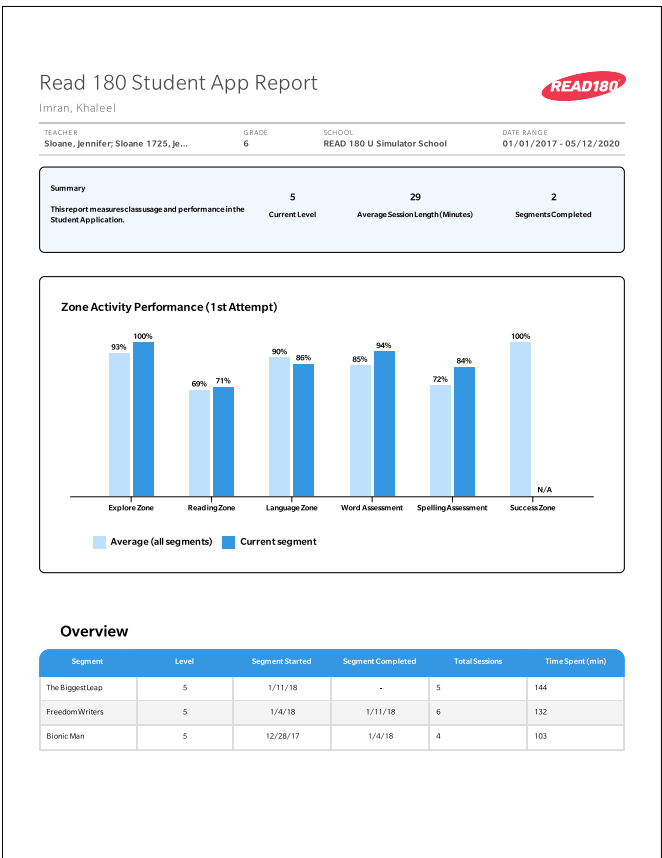

Use these Reports from HMH Teacher Central® detailing student performance from the software to guide student conferencing discussions:

## READ 180 Universal

- Lexile® and Proficiency Growth – Use to track student placement and Lexile growth
- Student Application – Use to track student progress and usage in the instructional software
- Independent Reading – Use to track student progress on independent reading quizzes

## System 44 Next Generation

- Phonics Proficiency and Growth – Use to track student placement and decoding skill development
- Student Software Performance – Use to track student progress and usage in the instructional software

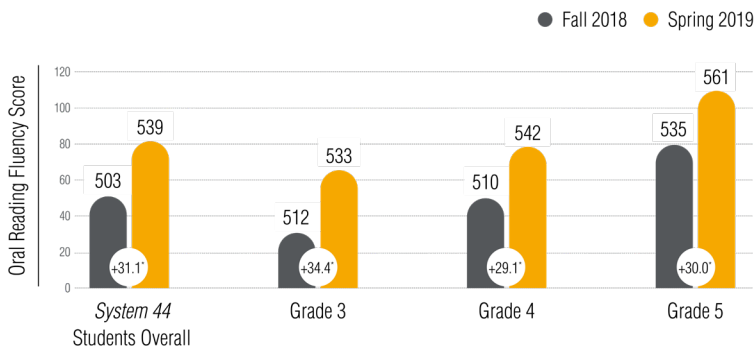

# Digital Access Works

*READ 180* Universal and *System 44* Next Generation provide a flexible instructional model, complementing districts, scheduling needs and maximizing the number of students served. Districts can successfully implement *READ 180* Universal and *System 44* Next Generation as Digital Access to address situations where there is not a dedicated space, teacher, or time for intensive intervention. See results below.

Figure 1.

## **Change in Oral Reading Fluency (ORF) Score, Overall and by Grade, 2018-19**

*System 44* students, Charles Armstrong School

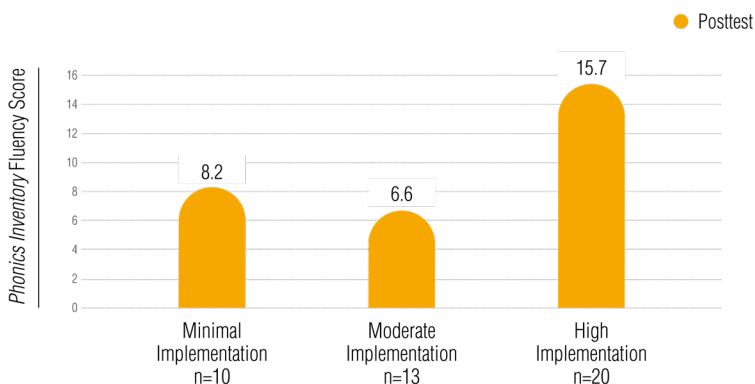

From the beginning to end of the 2018-2019 school year, *System 44* students averaged a 60% increase in words correct per minute (wcpm) on the ORF test.

Note. \*statistically significant change at  $p < .05$ .

Figure 2.

## **Phonics Inventory Fluency Score by Implementation, Grades 3-7, Spring 2019**

*System 44* students, Charles Armstrong School

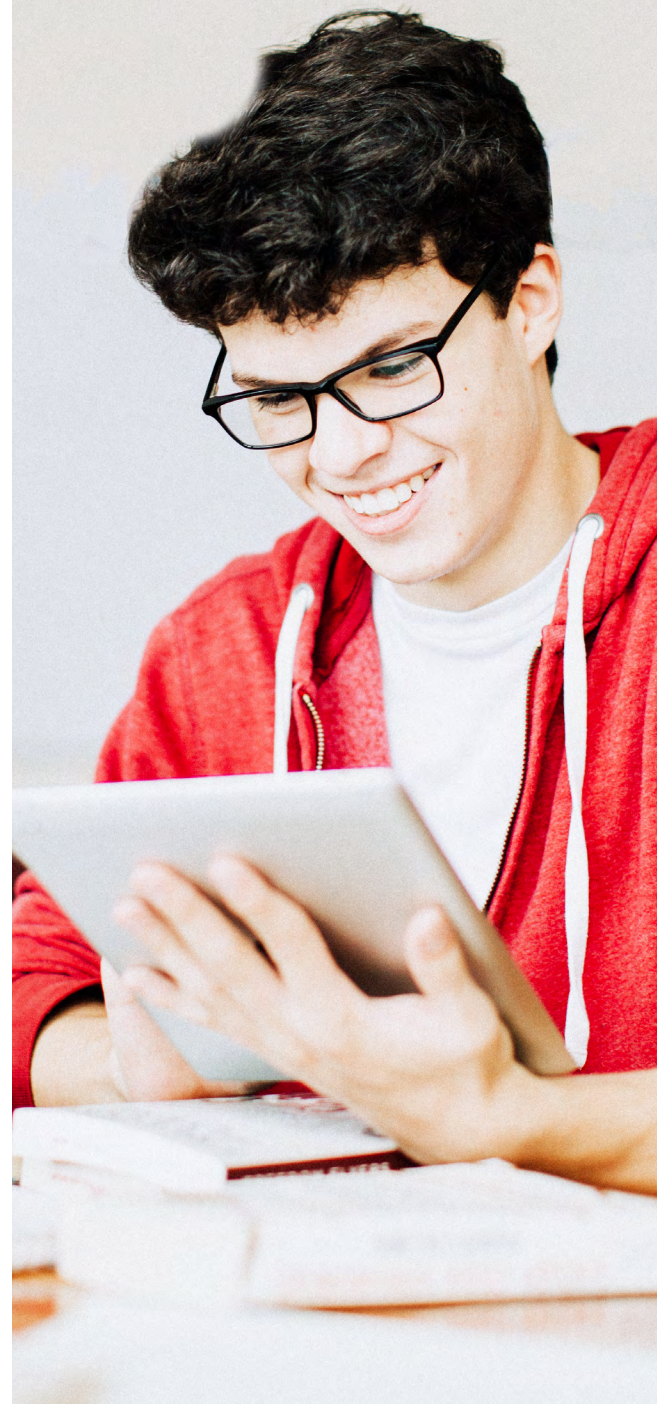

Increased use of the *System 44* software was a statistically significant predictor of *Phonics Inventory*<sup>®</sup> fluency score growth. See Figure 2.

<sup>1</sup> Source: The COVID-19 slide: What summer learning loss can tell us about the potential impact of school closures on student academic achievement. April 2020. Dr. Megan Kuhfeld and Dr. Beth Tarasawa. NWEA.

## **Impact of COVID-19 School Cancellations**

Reading is forecasted to show significant learning loss.

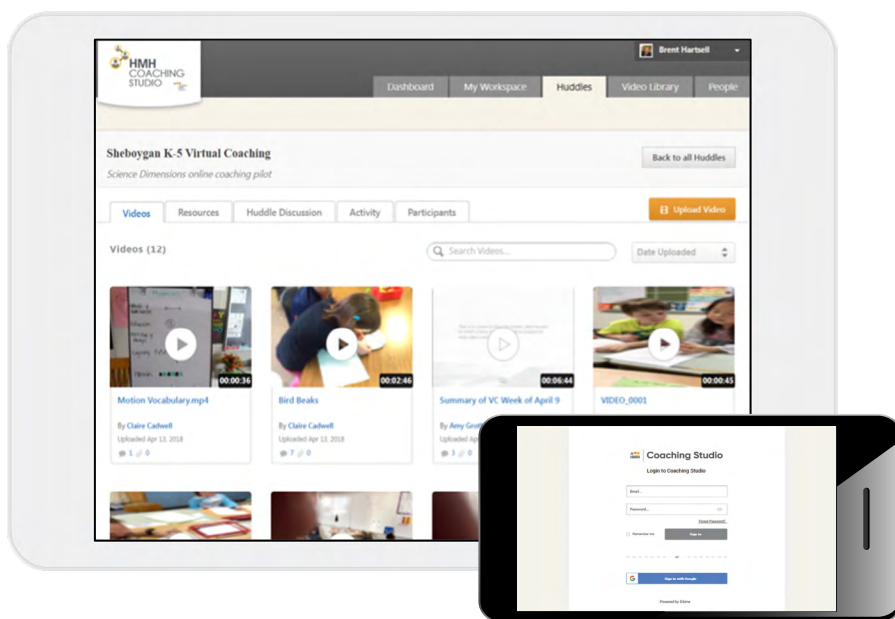

Students could return with 70% of the learning gains relative to a typical school year.<sup>1</sup>

# Professional learning that is flexible and responsive

As partners, we ensure that teachers have everything they need to maximize effective instruction. From Getting Started online coaching to NEW on-demand instructional videos and program-embedded tools, our professional learning solutions for *READ 180* Universal and *System 44* Next Generation will provide teachers with an ecosystem of support to help their students excel! For more information visit [hmliteracysolutions.com](http://hmliteracysolutions.com).

- 1 Getting Started
- 2 Online Coaching with HMH Coaching
- 3 Professional Growth

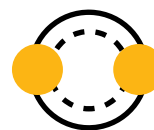

## Partner with HMH to:

Build capacity and expertise so that teachers are better equipped to deliver blended and distance learning.

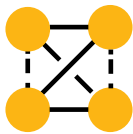

Offer a path for continuous professional learning to all that can be delivered online or on demand.

Help you design a smooth transition for school re-entry and your plans for BTS 2020 – 2021 for school leaders.

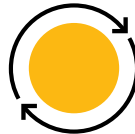

## Don't miss out on these *READ 180* Universal and *System 44* Next Generation subscription benefits:

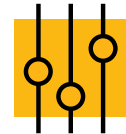

Interchangeable Literacy License to flexibly enroll and meet the needs of more students.

Free license subscriptions for teachers when student licenses are purchased.

Ongoing software updates without the need for reinstallation.

Yearly pricing options to meet your budget and implementation model.
