

Waggle™

Accelerate **Multilingual Learners** to ELA & Math Proficiency

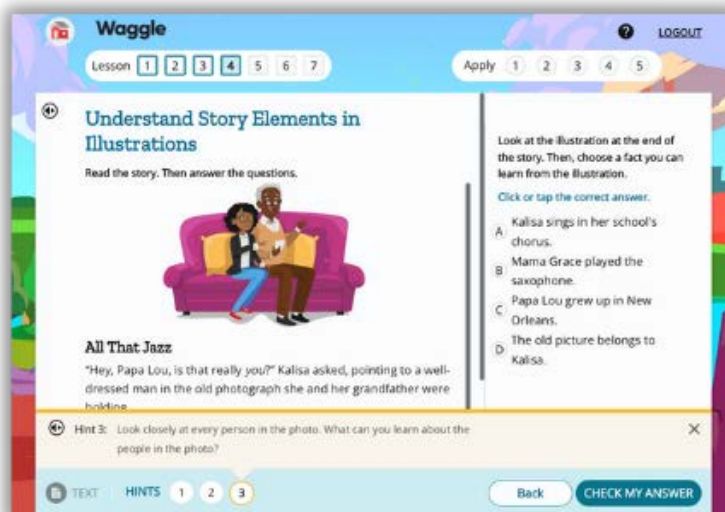

Real-time Multilingual Learner Supports

Guide multilingual learners through personalized practice with real-time EL supports like academic vocabulary meanings, idiom and figurative language explanations, and English/Spanish cognates.

Hints and Grammar Help

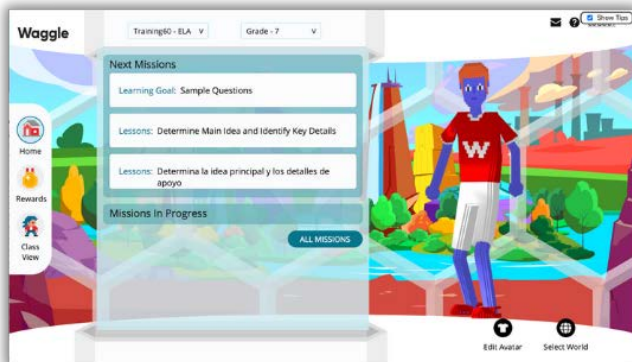

Students and teachers thrive with Waggle's innovative **ELD supports, SEL hints, grammar tips and text-to-speech all in a gamified framework.** Build metalinguistic awareness around grammar that is different in the students' home language than in English. Students see up to four hints at a time while they are working on assignments to nudge them towards the right answer!

Personalized Practice Designed Specifically for Multilingual Learners

Spanish Lessons Grades 3-8

Waggle provides practice activities and trans-adapted text in instructional lessons allowing Spanish speaking students to apply their current knowledge and increase academic skill acquisition for grades 3-8.

- **Create and customize** your own avatar
