

## **New Features and Updates**

### **October 12, 2019**

#### **Student Achievement Manager**

Version 1.0.0.1873

##### **Updates**

- SAM no longer blocks access for teachers in schools or districts where their administrator had not accepted the updated Hosting Terms & Conditions.
- Resolved an issue that kept the ProgressSpace Grading Report from running successfully for some classes.
- Removed custom date ranges from *Math Inventory* Parent Report to ensure compatibility with Version 3.1

#### **HMH Teacher Central**

Version 1.5.17-105

Version 1.4.12-90 (Resource Manager)

##### **Updates**

###### **Home Screen**

- Resolved an issue that caused the Stage A *Real Book* to display in classes with *System 44* Next Generation Stage B and C students.

###### **Data Dashboard**

- Resolved an issue that caused the wrong tab to print when selecting a custom data range on the Student App Class Report

###### **Resource Manager**

- Added new *System 44* Next Generation Anchor Videos for use in *System 44*-only classes.
