

New Features and Updates October 4, 2019

HMH Teacher Central

Version 1.5.9-168 (Assignment Board)

Updates

Assignment Board

- Resolved an issue that caused teachers to receive an error message when attempting to submit graded fluency or recording or writing assignments.
- Resolved an issue that kept the assignment board from refreshing after teachers graded assessments.

iRead

Version 1.2.7-2

New Feature

- *iRead* now supports Android keyboards.

Updates

- Resolved an issue that caused the entire user interface to move, rather than the intended pictures, in the Rhyme Time activity (Microsoft Edge users only).
