

New Features and Updates November 6, 2020

Student Achievement Manager (SAM)

SAM Version 3.1.0-193

Updates

- Resolved an issue where the exceptions CSV file did not include students with an invalid school during a failed CSV roster import.

HMH Teacher Central

Data Dashboard Version 1.5.17-193

Updates

- Resolve an issue that caused the My Progress tab to display student time in the software in hours rather than minutes.

iRead

SAM/Ed Client 1.4.19-1

Updates

- Resolved a progressive loading issue where the same activity is received twice in a row.
- Resolved a missing audio issue in the My Sounds tab on the Avatar Editor.
