

New Features and Updates

May 1, 2020

HMH Teacher Central

Version 1.5.17-172

Update

Digital Teacher's Edition

- Increased timeout so teachers are not logged out until 90 minutes of inactivity.
- Resolved a content issue in "Asteroid Hunters."

Data Dashboard

- Visual improvements to show highlight of default sorted columns.
- Hid the Export CSV button when there is no data to report.
- The Daily Report now displays the correct student name if the name was updated in SAM.

HMH Student Central

Version 1.5.17-172

Update

- Data from Current Segment and All Segments now appear in the My Progress tab.

***READ 180* Universal**

Version 1.0.15, 0.9.3-147 (Media)

Updates

- Resolved an issue that caused a previous selection to remain highlighted after a new selection is made in the Explore Zone for questions which require the user to select a part of an image.
- Resolved an issue that kept the play button from functioning after selecting the stop button when a passage is being read by phrase in the Read Aloud activity in the Reading Zone.
- Pull-down menus are now fully visible regardless of screen size.
- Corrected an audio issue in "Buried Alive" segment.
