

New Features and Updates

May 29, 2020

HMH Teacher Central

Version 1.5.4-28 (Digital Teacher's Edition Media);
Version 1.0.0-71 (Data Dashboard)

Update

Digital Teacher's Edition Media

- Resolved an issue that kept answers from being hidden in *READ 180* Universal Stage B Lesson 5.14 and *READ 180* Universal Stage C, Lessons 2.21-2.23.

Data Dashboard

- Resolved an issue that caused student data to show multiple times in the *READ 180* Universal Daily Report.

iRead

Version 1.4.8-101

New Features

- Launching the *iRead* Compatibility Test page (<https://www.hmhco.com/iread/client/compatibility.html>) to help determine if a computer can successfully run *iRead*.
- Implemented a check that prevents re-downloading of media.

Updates

- Resolved a media loading error in Series 1.5 Main Hall when transitioning between Meaning Machine and Spin the Wheel.
- Resolved an issue that caused loading screens to overlap with activities
- Resolved an error occurring when logging out from the Avatar Editor.
- Resolved various issues with My Badges in Collections.
- Resolved an issue that caused students to be presented with an incorrect number of trials in Read and Think.
- Improvements to media loading.

Math Inventory

Version 3.1.0-20

Updates

- Resolved an issue that kept the Instructional Planning Report from sorting by name.
