

New Features and Updates September 13, 2019

Student Achievement Manager (SAM)

Version 1.0.0.1871

Update

- An error message now displays in SAM if users attempt to enroll students in a product where no licenses are available.

HMH Teacher Central

Version 1.5.17-94 (Data Dashboard)

New Feature

Data Dashboard

- Date ranges set in the Data Dashboard now carry over from report to report, no longer requiring users to set it for every report when viewing a custom range.

HMH Gateway

Version 1.3.10-8

Updates

- The *System 44* Next Generation icon now appears on the HMH Gateway in place of the *READ 180* Universal icon for students enrolled with the new *System 44* Next Generation Literacy License.
