

## Using the Automatic Bookmark with HMH Gateway

HMH Central users may bookmark their HMH Gateway page easily by using the Automatic Bookmark feature.

From the HMH Gateway login screen, users will see the **Bookmark HMH Central** button.

To bookmark the HMH Gateway page in Explorer or Firefox, click the **Bookmark HMH Central** button on the HMH Gateway login screen.

To bookmark the HMH Gateway page in Chrome, Safari, or Microsoft Edge, select the **Bookmark HMH Central** button, then drag and drop the button to the bookmark bar in the browser.

Users may also drag and drop the **Bookmark HMH Central** button to their desktop to create a desktop bookmark.
