End of Sale and End of Support Announcement: Locally Hosted Intervention Solutions Programs

Starting on July 1, 2019 HMH will no longer sell new teacher and student licenses or offer Product Support for HMH Intervention Solutions programs installed on locally hosted servers. The following programs that are installed on school or district servers will be affected by this announcement:

- *FASTT Math* Next Generation*
- *Math Inventory*
- *Phonics Inventory*
- *READ 180* Next Generation*
- *Reading Counts!*
- *Reading Inventory*
- *System 44* Next Generation

Customers may contact their HMH account executive to consider upgrading to HMH hosted versions of supported software programs, where available.

*Please note that End of Life plans have been previously announced for *FASTT Math* Next Generation and *READ 180* Next Generation software. Accordingly, locally hosted versions of those two programs may not be transitioned to HMH hosted versions.

This announcement will affect customers as follows:

All active Product Support plans for the above programs will be honored through July 1, 2020, provided they remain current. Please contact your HMH account executive if your Product Support plan extends beyond July 1, 2020.
