

Getting Started With Big Day Teacher Space

First Login

From your browser, go to the Big Day URL at bigday.tgds.hmhco.com and use the username and password you received from your school or district's Big Day administrator. Click **Go** to enter Big Day.

Creating A Profile

When you log in with the district credentials, you will need to create your profile. Once you have completed your profile, use your own username and password to log in to Teacher Space.

1. Log in with the school or district username and password and click **Go**.
2. Click the **Create a Profile** button to open the Create Teacher Profile screen.
3. Enter the required information on the Create Teacher Profile screen (required fields are marked with an asterisk).
4. Click the box next to Display My Contact Information if you want your email address displayed on Family Space so families may contact you. Click the **Send Me Updates** checkbox to receive email notifications from HMH about the *Big Day for PreK* program.
5. Click **Next**.

- On the second Create Teacher Profile screen, enter information about your class. This will create your class and allow you to enter your class roster.

- Click **Done** to save your profile and return to the Teacher Space Home Screen.

Logging In To Teacher Space

Once you have created your teacher profile, you may use your username and password to log in to Teacher Space and automatically go to the Teacher Space Home Page.
