

End-of-Life and Transition Announcement: *iRead*

Starting December 31, 2021, HMH will no longer sell or make available new *iRead* licenses, except as contractually required. All current one year *iRead* licenses purchased in 2021 will expire on June 30, 2022.

We are thrilled to announce that our new Waggle K-8 offering will go live July 15, 2021 and will include many of the same lessons as *iRead*.

Waggle K-8, our newest research-based mathematics and English language arts digital solution for Grades K–8 offers adaptive, personalized practice and instruction, while also providing ongoing, formative assessment. Waggle has an easy-to-implement format that fits into any core curricula and is ideal for remediation, enrichment, whole group, small group instruction, individual practice, summer school, and more.
