This announcement will affect customers as follows:

All active Product Support plans for *READ 180* Enterprise Edition will be honored through version 3.0.x, provided they are renewed and remain current.

Upon request, HMH will provide a database backup of *READ 180* Enterprise Edition student data for import onto a local school/district server, with the school or district providing local support.

Contact HMH Technical Support at 1-877-234-7323 for more information.

All *READ 180* Enterprise Edition contracts or adoptions whose explicit end dates extend beyond December 31, 2016, will be honored as per their original terms. In these cases, *READ 180* Enterprise Edition will need to be installed on its own SAM server if other HMH programs are subsequently updated to more recent software versions.
