READ 180 Enterprise Edition v2.0.3

• **Enrollment**

Students may no longer be simultaneously enrolled in both *READ 180* Next Generation and *READ 180* Enterprise Edition.

• **Student Data in Enrollment**

When upgrading from *READ 180* Enterprise Edition version 2.0.x to *READ 180* Next Generation, enrolling students in *READ 180* Next Generation imports all student data as well. When upgrading from *READ 180* versions 1.9 or 1.10, enrolling students in *READ 180* Next Generation imports the following student data points: *READ 180* level, Topics completed, segments completed, and program settings.

• **Student Diagnostic Report**

Reading Fluency Response Rate has been corrected in the Student Diagnostic Report.

• **Zone Menu**

The Success Zone button is appropriately displayed in the Zone Menu.

• **Login**

After clicking **Go On** at login without entering a username or password, an error message is appropriately displayed.

• **Microphone Check**

Enhancements in version 2.0.3 to the microphone check ensure that the recording volume is set at an appropriate level.

Scholastic Achievement Manager v2.0.3

• **Student Access Screen**

Student Access Screen now displays only the icons for licensed programs.

• **SAM Resources**

State-specific resources, including the Digital Teaching System (DTS) tab for Florida users, are now available in the Resource Library in SAM.

ReadAbout® **v2.0.3**

- **Accuracy of Student Data**

  Students must now answer questions correctly to be promoted.

- **Challenge Activities**

  Students are no longer blocked in 2-star and 3-star Challenge activities.

- **Student Login**

  Usernames may now contain spaces and hyphens.

- **Time Settings**

  The time settings in *ReadAbout* function correctly.

- **Workstations**

  ReadAbout workstations no longer require recording devices.
