

Quick Guide to eBook Library eReader HTML5 Version

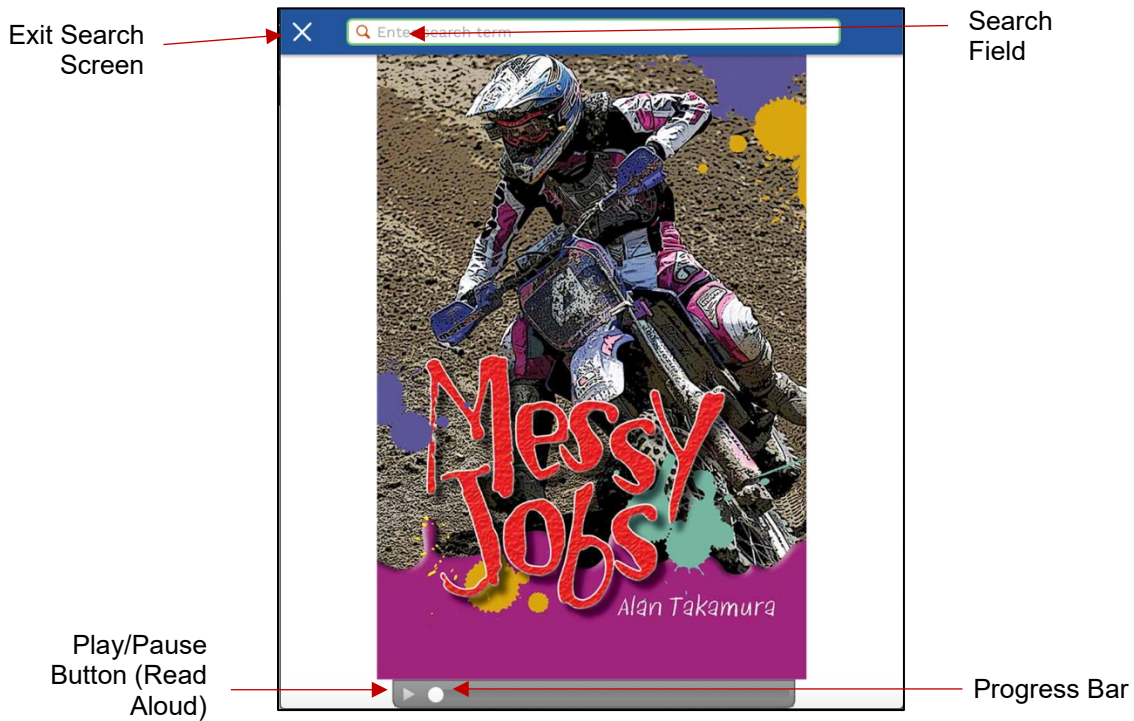

HMH has released the HTML5 version of the *READ 180* Next Generation and *System 44* Next Generation eReader in the eBook Library. The HTML5 version contains many of the same features, some new features, and some reconfigured features.

Here's where to find the ITS features in the HTML5 version:

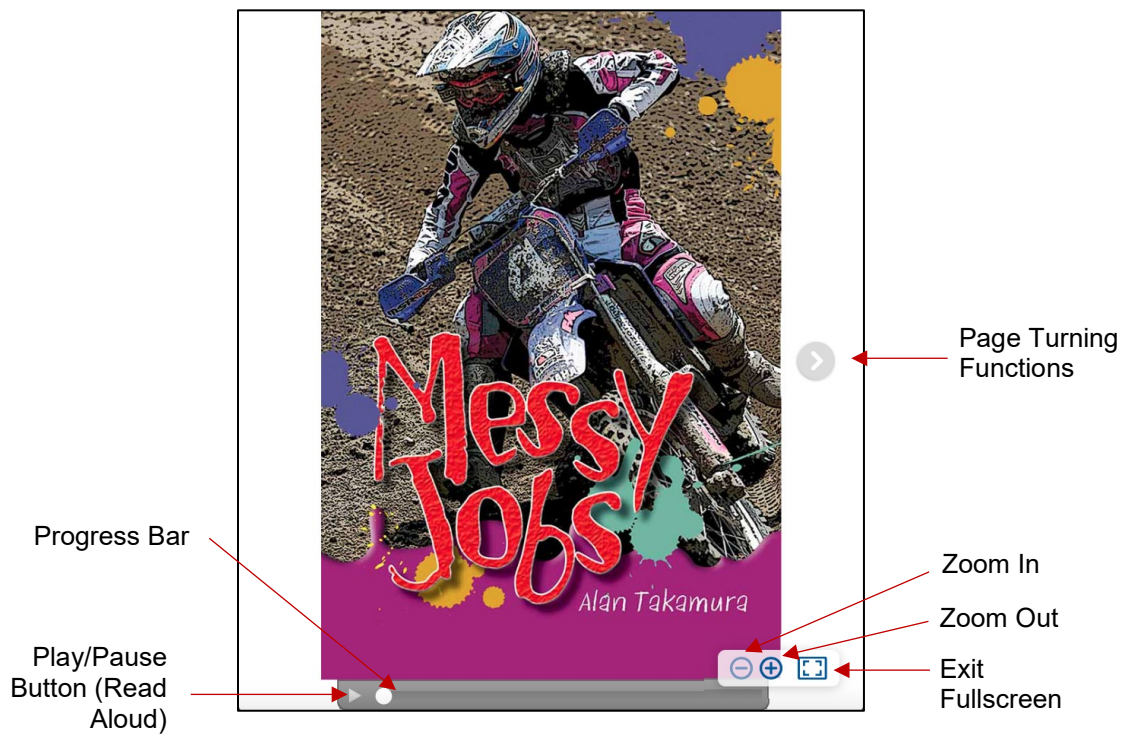

Page Screen

Search Screen

Fullscreen

Key Functions

The following eReader functions remains the same:

- Go to Page Navigation
- Search
- Table of Contents
- Notes and highlighting (now My Notebook function)

These eReader functions have been removed:

- Two-page spread (coming soon)
- Adjustable reading speed (coming soon)
- Read by word, phrase, or sentence
