

# READ 180® Middle School Students Quadruple Passing Rates on the State Reading Test

Across all grades in this analysis, the percentage of *READ 180* students passing the TAKS Reading increased from 2008 to 2009. Results were particularly impressive for middle school students, who demonstrated more than a three-fold increase on the TAKS. To read the full report, visit [read180.com/research](http://read180.com/research).

## Cypress-Fairbanks Independent School District:

Enrollment: 106,134

- 43% Hispanic
- 33% Caucasian
- 16% African American
- 8% Asian American
- < 1% Native American
- 45% Economically Disadvantaged

**Understand the Results:** This graph displays pass rates on the TAKS Reading test. For each grade level, the bar on the left represents the pass rates of *READ 180* students before they entered the program. The bar on the right represents pass rates for *READ 180* students after one year of intervention. The graph shows that after one year of *READ 180*, the percentage of students passing TAKS at all grade levels was higher.
