

JOURNEYS WORKS.

PROVEN RESULTS

Journeys works.
And we can **prove it.**

PROOF POINT 1:
Journeys instruction is based on research.

Journeys K–6 was designed using the latest scientific research about what makes literacy instruction effective.¹

PROOF POINT 2:
Journeys is scientifically tested.

The many *Journeys* efficacy studies, case studies, and pilots all show positive student gains.

2 YEARS
46 CLASSES
700 STUDENTS IN GRADES K–3

EFFICACY STUDY A:
Journeys K–2 receives a “Strong” rating from evidenceforssa.org as a result of this “gold standard” efficacy study.²

EFFICACY STUDY A RESULTS:
Students using *Journeys* performed significantly better on key literacy skill measures than students using other reading programs.

+6 Points on spelling and word analysis skills

+7 Points on vocabulary and comprehension skills

+15 Points on reading words at kindergarten

EFFICACY STUDY B:
3 YEARS
105 SCHOOLS
18,000 STUDENTS IN GRADES 3–5

EFFICACY STUDY B RESULTS:
Journeys students outperformed non-*Journeys* students on STAAR™ and TAKS™ reading performance testing in Grades 3 and 5.

Journeys students were more likely than non-*Journeys* students to meet reading standards following 3 years in the program, especially at Grade 4.³

EFFICACY STUDY C:
1 YEAR
20 TEACHERS
512 STUDENTS IN GRADES K–5

EFFICACY STUDY C RESULTS:
Changes from pre- to post-tests on:⁴

Terranova 3 Common Core Edition

+6 Points on Reading Overall

+8 Points on Vocabulary

+7 Points on Reading Comprehension

+8 Points on Language

Iowa Assessments™ Form E

+3 Points on Reading

+7 Points on Vocabulary

+5 Points on Word Analysis

EFFICACY STUDY D:
1 SEMESTER
41 TEACHERS
650 STUDENTS IN GRADES 1–5

EFFICACY STUDY D RESULTS:
Changes from Pre-test/Post-test Study:⁵

+24 Points average overall for all students

+42 Points average overall for students with low pre-test scores

PROOF POINT 3:
Journeys is used by over 6.7 million students nationwide.

On any given school day, *Journeys* is helping 6.7 million students become lifelong readers and writers.

You can **choose Journeys** with confidence because **Journeys works.**

“With *Journeys* we finally have a K–5 reading adoption that my teachers use across the grade levels. Consistent assessment of students and using this to improve instruction is so important! Teachers also love the leveled readers in *Journeys!*”

–Principal Brenda Murphy, Genoa Elementary School, Perry Heights, OH
