

Woodcock-Johnson® IV is going mobile!

With the **Woodcock-Johnson IV Mobile App**, registered users of **WJ IV Online Scoring and Reporting** can manage assessment tasks wherever an internet connection is available!

Use the **WJ IV Mobile App** to:

- Create examinees and enter scores for **WJ IV** and **WMLS®-R NU** test records
- Run the Score Report
- Sync data to the main **WJ IV Online Scoring and Reporting** site

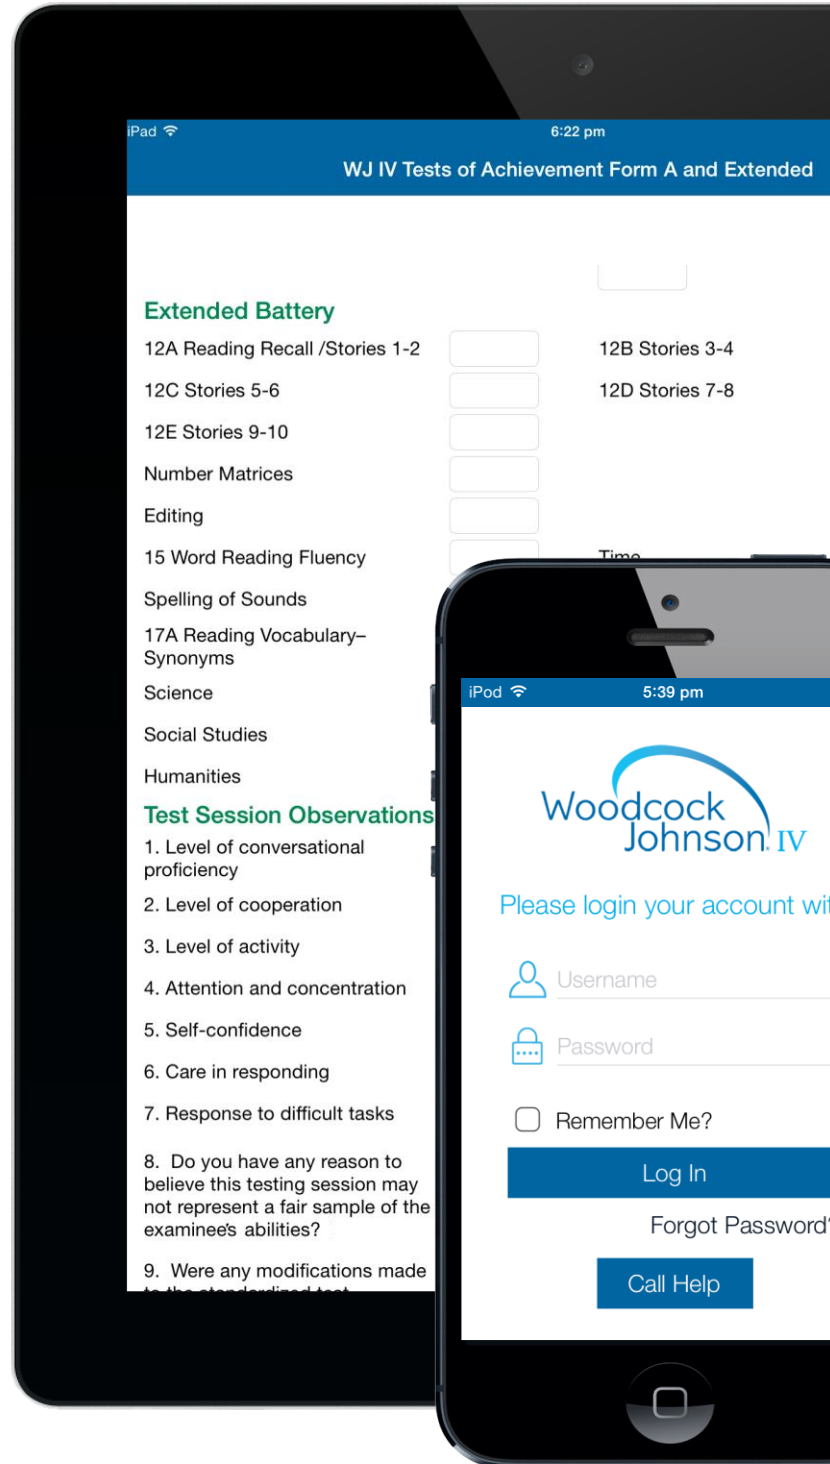

The **WJ IV Mobile App** is available on the following devices:

- Apple® iPhone 4 (or newer)
- Apple iPad 3 (or newer)
- Android™ tablets
- Android phones
