Ensure Successful Classroom Implementation of *Splash into Pre-K*

Splash into Pre-K is a comprehensive, integrated early learning curriculum designed to ensure success for today's Pre-K and 3–4 year-old learners using the latest research and interactive learning philosophies. This program assists teachers in building a community of learners through a cohesive child-centered curriculum in English and Spanish.

To ensure your program delivers optimal student results, include onsite training for teachers. Our ***Splash into Pre-K*** Professional Development Specialists have in-depth content and product knowledge plus classroom experience to provide teachers with the support they need for successful implementation.

Give your teachers the tools for success!

Professional Development for Initial Implementation

Schools who invest in **Splash into Pre-K** recognize the importance of successfully implementing a proven, research-based program. Our Implementation Directors work with you to customize a professional development plan that sustains long after initial implementation.

Splash into Pre-K Initial Program Overview

Designed for teachers that are new to **Splash into Pre-K**, this three-hour training provides an overview of the program organization, instructional resources, and technology. Teachers learn how to:

- apply understanding of program organization and pedagogy to daily instruction
- integrate components and resources that support differentiation, assessment, and effective whole and small group instruction
- use technology to enhance instructional delivery and student learning

\$2,599 ISBN: 978-0-544-12828-6

Splash into Pre-K Beyond the Basics

This three-hour training is designed to provide a deeper understanding of differentiation, assessment, and technology to support successful implementation. Teachers learn how to:

- apply understanding of differentiation to daily instruction
- utilize various formative and summative assessment resources to target instruction
- use technology to enhance instructional delivery and student learning

\$2,599 ISBN: 978-0-544-12818-7

Splash into Pre-K Full-Day Implementation

This full-day training includes both the Initial Program Overview and Beyond the Basics sessions.

\$2,599 ISBN: 978-0-544-27293-4

Splash into Pre-K Demonstration Lessons or Product Coaching

Choose a full day of product coaching or demonstration lessons. Rooted in Praxis™, these Praxis In Action sessions focus on deeper understanding, interpretation, and application of program components. Professional Development Specialists provide feedback on instructional practices, climate, delivery, and impact.

\$2,599 ISBN: 978-0-544-12823-1

Splash into Pre-K Customized Full-Day Training

This training is customized to meet the specific professional development needs of clients. Working with a Professional Development Director, clients play an active role in creating outcome-based learning objectives. Once objectives are set, a minimum of 45 days are needed to develop and prepare for effective delivery.

\$3,500 ISBN: 978-0-544-12827-9

Splash into Pre-K Two-Hour Webinar

Choose either Initial Program Overview or Beyond the Basics as a two-hour live webinar.

\$750 ISBN: 978-0-544-27306-1

Advanced Implementation to Deepen Mastery

Looking for more advanced training? With our Advanced Implementation Workshops, teachers learn about best practices related to early learning. These interactive workshops are rich with reflection and collaboration. Participants gain a deep understanding of instruction related to early learning and how to best apply this knowledge through **Splash into Pre-K**. Professional Development Specialists guide teachers through Action Planning to ensure they identify and meet their learning goals.

Splash into Pre-K Full-Day Advanced Implementation*

Select three two-hour interactive workshops from the list below to create a full day of advanced implementation customized training for your teachers.

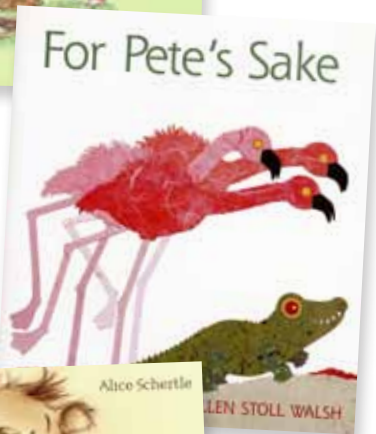

\$2,599 ISBN: 978-0-544-12819-4
